Dear,

I would like to ask you for a few minutes of your precious time to bring our non-profit association to your attention.

Unfortunately, each year, several people getting missed. Lost in a forest, handicapped people, people with physical problems or people who disappear on purpose! For each family this is a nightmare, not knowing where your relatives are! What's happened? Where is he or she? Why?

Rescue Dog Team ARGOS is the proud name our non-profit association carry's and we train our team constantly to search and rescue these missing people on a complete voluntary base.

The area we operate in is the Belgian and Netherlands province of Limburg and on request, outside these borders of the province!

The purpose of our non-profit association is to train and deploy our team, in case someone gets missed, and this on a most professional base as possible. All our teams are trained to search for living people but also deceased people. Even in water they can locate a body!

We train multiple times each week, in every weather conditions, for different scenarios and disciplines. We strive to create realistic situations for each training.

Our complete team exists only out of volunteers who are exceptionally motivated when a missing occurs!

But we need a whole range of tools to get to our objective, like transmitters, appropriate clothing, sonar, logistics,... which cost a whole lot of money! Therefore we need sponsors and we kindly like to ask you if its possible to support us in these needs.

We can't give you much back in return, what we can do is put your logo and data on our website, who has an average of six hundred visitors each month. Beside this, we also give demonstrations on a regular base where we can show a banner, or maybe you are interested to put your logo on our clothing and we will wear it with our most respect for your gift.

Hopefully you are interested to help us financially or materialistic then I would kindly ask you to give a short response on this mail and we will contact you as soon as possible for further arrangements.

For more information about our team, please visit our website at www.reddingshondenteam-argos.org

Our complete team will be grateful,

With kind regards,

Rescue Dog Team ARGOS
